Eurosport Player is an app that allows you to watch your favourite sports live and on demand from the app. The majority of Eurosport's live and on-demand sports content is available to download free from the app or on the App Store or Google Play Store. Need to know which sport is on? Simply scroll up and the latest events for the sport will appear in a scrolling list. To watch the current match, just tap the screen. To download a free pass for a live event, follow these steps: Open the app, Tap the sports tab on the top of the screen, Tap the live sport in the top left hand corner of the sports screen, Tap Download free pass to download a free pass to watch the match. To watch the live match on demand, follow these steps: Tap the match in the top left hand corner of the sports screen, Tap Live on Demand to watch the match. If you are interested in purchasing a pass for a live event, follow these steps: Tap the buy pass button in the top left hand corner of the sports screen, Tap View details to view your passes. If you would like to watch our full archive of live and on-demand coverage, you can find it on our website Eurosport Player. Follow all your favourite sports on your Android device by downloading Eurosport Player. It's also available on iOS and you can find more info about it on iTunes. iPhone users can download Eurosport Player on the App Store by searching for "Eurosport Player" and then tapping "Install". Android users can download Eurosport Player on Google Play by searching for "Eurosport Player" and then tapping "Install". If you are looking for a more comprehensive sports app that can also provide you with more live sports content than Eurosport Player, try our sports app guide.Q: Open new tab in Android I am trying to open new tab in Android using following code View view = new View(this); view.setLayoutParams(new LayoutParams(LayoutParams.MATCH_PARENT, LayoutPar 82157476af
